Sir

I have the honor to bring to your notice that the Registrar of the Chief Court has for many years past been doing all the Ministerial work under the Inspector General of Prisons, in connection with the Administration of the Jails and Lockups in the Province.

The Registrar having no official status in regard to the Jail work tho all letters and communications have heretofore been signed by him in his capacity of Registrar acting under the orders of the Inspector General of Prisons it seems desirable that such correspondence should be signed by

by him; not as the Registrar of the Chief Court, but as an officer attached to the office of the Inspector General of Prisons and in this sense, I have the honor to recommend that he be styled as heretofore to the Inspector General of Prisons.

3 It has been found very necessary to employ the Registrar as the only responsible officer under the Chief Judge and Inspector General of Prisons, to do the ministerial work in connection with the Jail Administration, but for such work which forms a large addition to his duties in connection with the Chief Court which are in themselves of an onerous nature, he gets no extra remuneration. His connection with Jails a large number of Returns have to be checked, and a good deal of correspondence has to be disposed of. The pay of the former Registrar of the Chief Court was ~~Rs~~ 600 a month, but the

present incumbent being a Sub-ordinate Judge of the lowest grade draws only ~~Rs~~ 300 per mensem while the duties and responsibilities of the appointment have in no way diminished. The returns and accounts connected with Jails require careful scrutiny and the Registrar has to devote much time and labor, often beyond office hours, on the work I have the honor, therefore to recommend ~~for~~ in consideration of the additional work devolving upon him connected with Jails, the Registrar of the District may be granted an allowance of ~~Rs~~ 50, per mensem

I have the honor to be
